

## **WG<sup>+</sup>BD LAN Education and Clinic of Excellence Workshop IX: Communication, Collaboration, and Career**

**October 2-3, 2023**

***Co-hosted by Children's Hospital of Michigan and  
the Jeanne M. Lusher Center for Hemostasis and Thrombosis  
Presented by the **Foundation for Women & Girls<sup>+</sup> with Blood Disorders*****

### **Objectives:**

1. To increase WG<sup>+</sup>BD LAN members' knowledge and understanding of the key elements of a Clinic of Excellence including the structure, best practices, and workings of a multidisciplinary team at a unique and effective Clinic.
2. To increase provider knowledge of best practices for managing key challenges for WG<sup>+</sup> with bleeding and thrombotic disorders to improve patient care and outcomes.
3. To update and refine the key elements of a successful WG<sup>+</sup> Bleeding Disorder Clinic of Excellence, i.e., the Model, for creating such clinics.
4. To bring together teams from each organization to maximize enhancing and implementing the key elements of a Clinic of Excellence.
5. To develop Clinic action plans to meet their WG<sup>+</sup>BD Clinic objectives in relation to the key elements of the WG<sup>+</sup>BD Clinic of Excellence Model.
6. To continue to develop and support the collaborative research agenda for the WG<sup>+</sup>BD LAN.
7. To outline the elements and work plans for the WG<sup>+</sup>BD Collaborative Research projects.
8. To learn the strengths and benefits of collaborative care to implement the collaborative care model for WG<sup>+</sup> with bleeding and other blood disorders.

+ Includes persons with, or have had, the ability to menstruate.

### **Monday, October 2, 2023**
